B.O.(FTD) No.436 /2020/D(T&SO)/T4/Veh./20-21) Thiruvananthapuram Dated:25.06.2020

- Read: 1. Note No.CETS/EE2/DBC/Veh-SD/Nedumangad/20-21/329 dtd:01/06/2020 of the Chief Engineer (Transmission South).
2. BO(FM)(Genl) No.1434/2013 (1891DPC 3-AE 4/2013/M(DIST) dated: 02.07.2013
3. Note No. D(T&SO)/T4/Veh./2020-21/182 dated 11.06.2020 of the Director (Transmission & System Operation) to the Full Time Directors (Agenda 25/6/20)

ORDER

The Chief Engineer (Transmission South) has intimated as per note read as 1st above that the 1990 model departmental jeep (Reg. No. KL 07 A21) attached to the Transmission Sub Division, Nedumangad in use for more than 30 years is garaged due to aging and poor performance on road. The validity of the registration expired on 27.04.2020 and for passing the fitness test, the vehicle requires various repair works such as engine repair, upholstery work, painting, patchwork etc. for which the expenditure is exorbitant. As the on road performance of the vehicle is too poor, the continued maintenance of this vehicle is not technically and economically viable. Moreover the Board as per order read 2nd above had accorded permission to survey report the departmental assets (vehicle) which have expired the life or 15 year, except those imported.

In view of the above the Chief Engineer, Transmission South has requested sanction to decommission the existing vehicle attached to the Transmission Sub Division, Nedumangad.

It has further been reported that 6 Substations located at different part of Nedumangad Taluk are coming under the jurisdiction of Transmission Sub Division, Nedumangad. Besides the O&M works to these Substations, the work such as upgradation of 66kV Substation Palode and its associated line, Chullimanoor ARC replacement etc. are commencing soon. Hence a vehicle is very much essential for the smooth functioning of Transmission Sub Division, Nedumangad. In this regard, the Chief Engineer, Transmission South has requested sanction to hire a vehicle for the use of Transmission Sub Division, Nedumangad with a monthly kilometer ceiling of 1500km on contract basis for a period of one year.

The matter was placed before the Full Time Directors as per note read as 3rd above. Having considered the matter in detail, the Full Time Directors in the meeting held on 18.06.2020,

Resolved to accord sanction for the following:

- 1) For decommissioning the existing vehicle (30 years old) attached to Transmission Sub Division, Nedumangad.
- 2) For hiring a vehicle with driver on contract basis for the use of Transmission Sub Division, Nedumangad with monthly kilometer ceiling of 1500 km, for a period of one year..

Orders are issued accordingly.

By Order of the Full Time Directors,

To : The Chief Engineer, Transmission South
